Join us for the 2026 Indoor Golf Simulator League at Excelsior Springs Golf Course!
This winter league is designed to keep your game sharp during the off-season with fun, competitive play in our state-of-the-art simulator bays.

- ****Season Dates****: Friday nights from January 2, 2026, through February 27th, 2026 (7 weeks of regular season play, with potential for playoffs or makeups schedules after that).
- ****Format****: 2-player teams in an alternate-shot match play format. Each hole is worth 2 points for a win or 1 point for a tie (maximum 36 points per match). Each team is given 3 Hammer Flags at the beginning of each match and one mulligan. Teams can only use one hammer per hole per team during a match
 - The Hammer Flag can be used in two ways:
 - If thrown before the start of a hole, the opposing team **MUST** accept and the hole is worth 4 pts. If the opposing team chooses to throw their own hammer then the hole is worth 6 points total.
 - If thrown after play begins on a hole, the opposing team can decline but will concede the hole and lose 2 pts. If accepted the hole is worth 4pts for a win and 2pts for a tie
 - The Mulligan:
 - Mulligan can be used only once during the round.
- ****Divisions****: 16 teams divided into two divisions (Division A and Division B), each with 8 teams. Teams play a round-robin schedule within their division (7 matches per team).
- ****Handicaps****: Required for fairness. Handicaps are established based on Week 1 scores and updated weekly. Team handicaps cannot increase by more than 2 strokes or decrease by more than 6 strokes from the previous week.
- ****Facility Setup****: 2 simulator bays, allowing 2 matches to occur simultaneously (one per bay). Two time slots per night: 5:30 PM – 7:30 PM and 8:00 PM – 10:00 PM, accommodating 8 matches per Friday. This is subject to change with more teams or the addition of more bays.
- ****Other Rules****: No outside beverages allowed on the premises (all must be purchased through ESGC). Teams should arrive 15-30 minutes early for setup and

warm-up. Standings will be tracked weekly based on points; top teams may advance to playoffs.

Division Presidents:

Division Presidents will be voted on and will be in charge of handling all issues related to fairness and rules in conjunction with League Commissioner Austin.
